An *exclusive* Northumberland estate for
your *dream* country wedding

Imagine getting married
in a beautifully restored
stone-built farm, set in

60 acres of its own grounds and
surrounded by forest and national
park, all of which is exclusively yours
to enjoy - for two nights.

The Comb estate has everything that
you need to celebrate and relax in
comfort. It has our Dark Skies

Wedding barn, a ten bedroomed
Lodge with en-suite bathrooms, a
beautiful Farmhouse and a quaint
Cottage. The Comb happens to sit at
the heart of Europe's largest dark
skies park, offering unrivalled views of
the stars on a clear night.

But to truly appreciate our corner of
the romantic Tasset valley, you need
to visit! Book a tour, we would love to
show you around.

Your wedding, your choice

our special day should be unique. That's why we give you the freedom to design your own event, and to bring your own caterers along too.

So forget about standard wedding packages, dreary menus and inflated prices. You can decorate The Comb in your own style and eat your own kind of food, making use of our facilities.

As for drinks, our manager will work closely with you to find the table wines and bubbly that fit your taste and budget. We also run a fully licensed bar that provides friendly service and 'country pub' prices.

Your wedding day is all about dreams and we are here to help you along your wedding journey. Our Comb wedding event staff will ensure your day runs smoothly from beginning to end.

Pick *where* to have your ceremony

ould you prefer to exchange vows in the pretty courtyard or under the high roof of our fully-restored wedding barn? Perhaps you'd rather step out and tie the

knot in a flowering field, with the backdrop provided by deciduous woodland and acres of grounds.

We are fully licensed and, as ever, the choice is yours.

FLAINE

Your *amazing* wedding barn

Most barns don't come with a licensed bar, stage, dance floor, food preparation area and toilets - but ours does! With seating room for 120 guests, or even more for an evening event, it is a highly flexible space that

can easily accommodate most kinds of celebration - please just tell us what your needs are. We also supply tables, white tablecloths and wine/water/ champagne glasses for 120 people.

The barn is a perfect venue for live music. So why not hire a band to really get your guests on their feet!

Sociable Spaces

Are you looking to spend quality time with your loved ones over your Wedding weekend? Then the Comb is the perfect venue for you. The spacious accommodation at the Comb, including The Lodge, Farmhouse and Cottage allows you

and your guests to get ready in style for your big day. There is no cramped accommodation here! The sociable Lodge Lounge allows your 30 special guests to relax all together, the night before the big event.

Help with *your* wedding itinerary

At Reivers, we see every wedding as a bespoke affair. The couples who choose us tend to have the same idea: they want to host their friends and family in a truly beautiful and unique spot, shape the event for themselves and spread the celebration out over a leisurely couple of days.

So here's just one example of how your wonderful wedding weekend might unfold
- but it's all up for grabs!

THE NIGHT BEFORE

- Throw an informal BBQ on the lawn for friends and family, or even a torchlit supper under the stars!

MORNING

- A relaxed breakfast for both early birds and late risers.
- Pampering and make-up in one of the many 'rooms with a view'.
- Channel some pre-celebration excitement into clay pigeon

shooting or a bracing country walk.

THE MAIN EVENT

- Reception drinks in the courtyard or on the Lodge Lounge terrace.
- Head to your ceremony location.
- Congratulations! Now you can stroll to the wedding barn.
- Wedding banquet, toasts and

speeches.

- The Party. Disco, live band, ceilidh - the barn can handle them all!
- Fireworks. Specialists only please - it's regulations.

THE DAY AFTER

- Chat about your special day over a leisurely breakfast.
- Wave off your guests (we promise there won't be another bride waiting at the gates!)
- Chill out. Why not stay another night?
